Recycle Montana, Inc. is a 501 (c) (3) nonprofit with the mission “to strive to be the leading statewide voice of recycling and an ongoing resource to advise, support and educate Montanans on waste reduction opportunities.”

Your membership allows us to pursue our mission and share statewide recycling news and efforts on recyclemontana.org and Facebook.

Please take the time today
to join **Recycle**
Montana!

Benefits of Membership

- **Social Media/Networking** – Offers articles and facts on recycling, connects recyclers to recycling locations, organizations, and recycling websites. Promotes the activities and accomplishments of its members; your business or organization will be posted on recyclemontana.org and Facebook!
- **Education** – Supports educational opportunities across Montana for businesses, communities, residents and schools.
- **Recycling** – Provides guidance in how to start a recycling program or how to increase recycling.
- **Recycling Education Trunks** – Builds and distributes trunks throughout the state in support of recycling education making recycling fun for students.
- **Annual Meeting** – Members enjoy networking opportunities, annual updates of programs and services. Members also have voting privileges and an opportunity to contribute their experience and insight.

RECYCLE MONTANA

The success of Recycle Montana is made possible through memberships like yours.

Together we can help more Montana communities and businesses through recycling education and educational assistance.

Support Recycle Montana by purchasing our license plate when your current plate expires!
